

Real Estate Standards Organization Trademark License Agreement

1. This Agreement is between the Real Estate Standards Organization (RESO), and _____, a(n) _____ (Licensee). Subject to the terms and conditions stated below, RESO grants to Licensee a non-exclusive, non-transferable royalty-free right to use the RESO “RETS” Compliance logo identified below (the Graphic) in connection with the advertising, product packaging and marketing materials of one or more of Licensee’s products as identified herein.
2. Each version of each product (collectively, the Product) that uses the Graphic must (a) be separately authorized to use the Graphic, and (b) be compliant with a stated version of the Real Estate Transaction Standard as published by RESO and updated from time to time. The requirement for separate authorization may be met by listing the products in Exhibit A of this Agreement, or by executing a separate copy of this Agreement for each product and version which uses the Graphic.
3. Each version of the Product shall be identified with an alphanumeric designation of the Licensee’s choosing (the Version Identifier). The Version Identifier that appears on this Agreement must be the same as the Version Identifier that appears to the user of the Product, and the user of the Product must have a readily accessible means of ascertaining its Version Identifier.
4. The use of the Graphic by Licensee is conditioned on the Product being compliant with a stated version of the RETS standard, as determined by the matching version of the RETS Test Protocol and Verification Suite (Test Suite) available from the RETS web site. If at any time RESO determines in its sole discretion that the Product is not compliant, as determined by published compliance testing procedures, RESO may terminate the License granted hereunder immediately by providing to Licensee written notice. Licensee agrees to cooperate with RESO in any reasonable steps taken by RESO to determine the Product’s compliance.
5. If the Product is found by Licensee or any third party to fail to comply with its stated version of RETS, as determined by the Test Suite, Licensee shall within 60 days either (a) modify the Product so that it complies with the matching version of the RETS specification, or (b) cease using the Graphic in any capacity whatsoever with reference to the affected Product.
6. Licensee agrees that RESO has the right (but not the obligation) to list the Product in its directory of RETS-compliant products.
7. Licensee agrees to use the Graphic only in compliance with the RETS Trademark Usage Guidelines document, as amended from time to time. Licensee acknowledges that it has received and examined a copy of the RETS Trademark Usage Guidelines in effect as of the date of this Agreement.
8. The Graphic is solely and exclusively owned by RESO. Except to the extent granted by this License, no transfer of any other rights is intended. Licensee agrees not to do anything inconsistent with RESO’s ownership of the Graphic, such as filing any trademark application anywhere in the world covering the Graphic or any mark similar to the Graphic. Licensee will not use the Graphic (a) in any manner that suggests RESO’s endorsement or recommendation of the Product or otherwise creates a false association with RESO; (b) on promotional merchandise (such as mugs, T-shirts, mouse pads or other merchandise) or in any way other than in connection with the Product; (c) in any modified or changed format or appearance; (d) on or in connection with anything that is unlawful or encourages unlawful

conduct; or (e) in any other way which disparages the Graphic, the RETS standards or RESO.

9. Licensee assumes responsibility for any and all losses or damages that arise out of Licensee’s unauthorized use of the Graphic, or for any personal injury, product liability or other claim arising from the production, promotion, distribution, sale or offer for sale, or the performance of the Product and agrees to indemnify RESO and each member of RESO for any liability, claims, damages or judgments (including reasonable attorney fees) arising therefrom. The Graphic is provided to Licensee on an As-Is basis. RESO makes no warranties whatsoever regarding the Graphic, and in no event will RESO be liable for any losses or damages resulting from Licensee’s use of the Graphic.

10. This License is valid for two years from the date of execution unless sooner terminated as provided for in this Agreement. Either party may terminate this agreement in the event of a breach by the other party by providing to the other party fifteen days advance written termination and specifying in that notice the nature of the breach.

11. This License shall be governed by the laws of the United States and the State of Illinois. This License, including the Usage Guidelines, constitutes the entire agreement between Licensee and RESO concerning the Graphic.

12. The parties agree that in the event of the termination of this License, Licensee shall immediately discontinue all use of the Graphic on or in connection with the Product.
